Adult Education

MISSION STATEMENT

Our mission at North Florida Technical College is to meet the needs of students, at any life-stage, by providing affordable, quality academic and technical education for current and emerging careers in a competitive workforce.

"For a Future That Works!"

North Florida Technical College is a Secondary and Post Secondary Institution committed to high standards and quality teaching practices.

High School students have an opportunity to Dual Enroll in several programs allowing them to begin their certificate program while still in high school.

Our Adult programs (Post Secondary) offer industry certifications in addition to licensure creating even more opportunities to help students move toward that high demand and high wage career. Programs are designed to allow students to complete their career goals in under one year.

REQUIREMENTS FOR ADMISSION:

Minimum age of 16. (**Students under the age of 18 must obtain approval from BCSD**)

Students under the age of 18 must attend the Evening Program (Effective August 19, 2013)
